

Frequently Asked Questions (FAQs)

1. Is the app free to use?

Yes, Miles and Memories is free to use. You can create journal entries, upload photos, and explore core features without any cost. We also offer a premium plan with exclusive features for those who want to elevate their journaling experience.

2. What features are available for free users?

Free users can create up to ten (10) journal entries and enjoy unlimited photo uploads. To unlock unlimited journal entries and other premium features, consider upgrading to a paid plan.

3. What's included in the premium version?

The premium version unlocks access to advanced features such as:

Unlimited journal entries.

Unlimited photo uploads.

4. How do I subscribe to premium?

Simply click on “**Upgrade**” at the bottom of the home page. Choose your preferred plan, and follow the steps to complete your payment securely.

5. Can I cancel my premium subscription?

Absolutely.

You can cancel anytime via your device's app store settings (Google Play or Apple App Store). After canceling, you will still have access to Premium features until your current billing period ends.

6. Will I lose my data if I uninstall the app?

Users should export their data before uninstalling, as data may be lost.

7. Can I use the app offline?

No, the app requires an internet connection to function and access data.

8. Is my data safe?

Yes, your data is private and secure. Your journal entries remain accessible only to you unless you choose to share them.

To learn more about how we protect your data, check the [Terms and Conditions](#).

10. I forgot my password. What should I do?

Tap on “**Forgot Password?**” on the login screen, enter your registered email and follow the instructions to reset your password.

11. Can I add entries from past trips?

Definitely! Miles and Memories isn't just for new adventures. You can document past trips by selecting the date and location manually when creating a new entry.

12. How do I contact support?

We're happy to help! Reach out to us at support@milesandmemories.app.
